

Brunch Changes at Thyme and Tonic

1. Our standard brunch menu will now only be served Friday-Sunday. Unfortunately, we could not sustain our full service brunch offering on weekdays. However, we are pleased to offer brunch items from Modern Bread & Bagel (which are generally less expensive), as well as our full bar from 10am-2:30pm Monday-Thursday.

2. There should be two QR codes on your table. One allows you to order craft cocktails from our bar and the other allows you to order food, coffee and pastries from Modern Bread directly to your table.

3. Use the camera on your phone to scan the QR code in order to place and pay for your order. When you are finished dining, don't forget to re-scan the QR code to check out with your credit card.

If you are having any issues, please inform one of our team members, so they can take your order. Tips are greatly appreciated.

Please see the other side for a printed menu.
